

Meet the Teacher

About Me

Hi! I'm Ms. Nancy, I'm the Special Education teacher in room 208, and I'm so excited to be your teacher this year!

I have been teaching in CPS since 2019 after career changing from Food & Beverage. I started at Beard in 2025 and love working in such a supportive school. I have been fortunate enough to work across many PreK settings including instructional support, 1/2 day blended, and full-day blended. I love supporting young learners and helping them grow and succeed in school!

I spend my free time spending time with my family, cooking, gardening, camping, traveling, playing with my dogs, trying new restaurants, and traveling to new countries!

My Favorites

COLOR: Blue

HOBBY: Cooking, camping,
traveling

DRINK: Iced tea

CANDY: Skittles

FOOD: Tacos
