Math	Use objects around the house to make numbers 1-5 (pennies, blocks, buttons, etc...). Be creative. Take a picture and upload to Dojo.	Draw a picture of an ice cream cone. How many scoops of ice cream did you put on your cone? What colors did you use? Were your scoops round or were they a different shape?	Go around your kitchen to find rectangles and circles. Count how many of each shape you find.	Sort the laundry by color or clothing categories. Count the number of items in each pile. Which pile has more? Which pile has less?	Find markers, blocks, or other objects that are the same size. Using your chosen object, measure how tall each person is in your family.
Gross Motor	Touch your Toes 10x  Jump up and Down 10x	Bicycle Crunches 10x  Jump like a Frog 10x	Flap Arms like a Bird 10x  Swim like a Fish for 1 minute	Run in Place for 1 minute  Kick each foot 10x	Pick your favorite 2 exercises!
Daily Challenge	Letter/Sight word Hunt: Use post-it-notes. Write a letter or sight word on each post-it-note. Place post-it-notes throughout your home and let the hunt begin!	Play a game with your family. Upload a picture to Dojo.	Find one object around your house with the same beginning sound for each letter of your name.	Help make breakfast for your family. You can also help set the table.	Have a family dance party in your pajamas!
