About Me

Hi families! My name is Ms. Meghan, and I am so excited to be your child's teacher this year! I'm looking forward to a year filled with learning, communication, independence, growth, and lots of fun! This is my 7th year teaching special education. This is my 2nd year at Beard Elementary. I have experience teaching students from Kindergarten through 8th grade. I am passionate about creating a classroom where every student has a way to communicate, participate, and be successful!
