

Meet the Teacher

About Me

Hi! My name is Ms. Mary, and I am so excited to be one of the teachers in Room 202 this year! This is my first year at Beard School, and I am so excited to become part of the Beard community.

I have been teaching Early Childhood Blended for the past six years, and working with young learners is truly something I love. I am looking forward to building meaningful relationships with my students and their families, creating a welcoming classroom community, and making lots of wonderful memories together this year!

I can't wait for a fun and exciting year in Room 202!
