

Meet the Teacher

About Me

Hi! My name is Ms. Jane. I joined Beard in 2019 and have worked in both general education and blended classrooms. This year, I'm part of a blended classroom team, collaborating with a special education teacher to support diverse learners. Before Beard, I taught kindergarten in Palatine as a bilingual educator and Pre-K in Elgin as a dual-language teacher. When I'm not in the classroom, I'm busy keeping up with my two kids and two cats, who add plenty of fun and chaos to life.
