About Me

Hello, I'm so excited about this school year and to get to know all the bright kids in this class! I have been with CPS since 2019 and graduated from National Louis University in June 2022. In my free time, I enjoy organizing anything, trying new coffee shops, DIY projects, and my favorite day of the week is Sunday with a homemade meal and my lively family. This year will be filled with fun, LOTS of learning, and new adventures. Young minds will bloom in this room!!
