About Me

Hi, my name is Ms. Gina and I am looking forward to a wonderful year full of adventures. I have been working in the field of Early Childhood Education since 2011 and have been at Beard for two years now. I love working with preschoolers so that I may lay the foundations they will need for future learning and so that I can develop their passions for discovering.

Fun Fact: My sister teaches at Beard also. She is Ms. Angela in room 111.
