About Me

Hola! My name is Ms. Yesenia and I'm so proud to be part of Beard Elementary. This year is my 6th year at Beard and so excited to start. I'm one of many Teacher Assistants. I look forward in working in room 208 along with my co-teacher Ms. Kathleen. I love teaching and learning from each other. Can't wait to see what this year brings. It's going to be a fun year of learning and fun experiences!
