

# Meet the Assistant Principal

## About Me

HI, I have been working at Beard since 2001. I started out as a classroom teacher. I have taught in the intensive support preschool classroom, the inclusive preschool classroom as both the general education and diverse learner teacher roles. I have also taught in the kindergarten and first grade classrooms. This is my fourth year as Assistant Principal. I am enjoying my role as I get to meet all the students and families. In addition, I get to work with all of our talented staff here at Beard.

## My Favorites

COLOR: Green

HOBBY: I love to go for runs (with many, many walking breaks built in)

DRINK: I love coffee!

CANDY: I have not eaten candy I didn't like.

FOOD: I love pasta!

## Education

Masters of Arts in Early Childhood Education with Special Education Approval

Masters of Arts in Educational Leadership
