

Meet the Counselor

About Me

I have been a first grade teacher, a case manager/school counselor, and I am now a full time school counselor! This will be the start of my 28th year with CPS and my 12th with Beard School! I am a proud mother of three children which keep me very busy! I enjoy spending time with my children and husband. I look forward to working with your student and as always, please reach out if you need anything!
