

Meet the Teacher

About Me

Hello! I'm so excited about this school year and to get to know all the bright kids in this class. I have been with CPS since 2019 and have my B.A in Early Childhood from National Louis University. In my free time, I enjoy organizing anything, trying new coffee shops, spending time outdoors/traveling, and my favorite day of the week is Sunday with my lively Italian family. This year will be filled with LOTS of learning and core memories. Young minds will bloom in this room!!

My Favorites
