About Me

I am Mrs. Rachel. I completed a 2 year Teacher Residency program with CPS while attending Roosevelt University. I graduated with my degree in Early Childhood Education, with a Special Education and Bilingual Endorsement. After two years in the classroom under mentors, I am excited to be at Beard! My husband and I have 4 children and we love to eat & travel. I enjoy spending my free time with my family outdoors, traveling, and capturing memories through photography. I am so excited for this school year, it is going to be great!
